All in Township 33 North, Range 3 West of the 6th P.M.

Attached to these Articles is a plat of said real estate, marked Exhibit "A" and incorporated herein by reference as though fully set forth.

FOURTH: The undersigned subscribers are the sole owners of all of the land in said proposed District and each of the undersigned have set out immediately opposite their respective names their several places of residence and the legal description of the portions of said land owned by each of them.

FIFTH: The description of the several tracts of land situated in the District owned by the undersigned subscribers is hereafter set out opposite the name of each of the undersigned.

SIXTH: There are no owners of property within the District who have not joined in the execution of these Articles of Association, nor are there any unknown owners of real estate embraced within this District.

SEVENTH: The owners of the real estate so forming the District are willing and do obligate themselves to pay the tax or taxes which may be levied against all of the property in the District and special assessments against the real property benefited which may be assessed against them, to pay the expenses that may be necessary to install a sewer or water system, or both a sewer and water system, the cost of water for fire protection, the cost of grading, changing grade, paving, repairing, graveling, regravelling, widening or narrowing sidewalks or roads, resurfacing or relaying existing pavement, or otherwise improving any public roads, streets or highways within the District and the cost of electricity for street lighting for the public streets and highways within the District, the cost of installing gas or electric service lines and conduits, and the cost of acquiring, improving and operating public parks, playgrounds, and recreational facilities, as provided by law.

EIGHTH: The purposes of this Sanitary and Improvement District shall be installing gas or electric service lines and conduits, installing a sewer system, installing a water system, installing a system of public sidewalks and roads, streets and highways, contracting for water for fire protection and for resale to residents of the District, and contracting for electricity for street lighting for the public streets and highways within the District, and acquiring, improving and operating

public parks, playgrounds and recreational facilities. The Board of Trustees of the District shall have power to provide for establishing, maintaining and constructing gas or electric service lines and conduits, water mains, sewers and disposal plants and disposing of drainage, waste and sewage of the District in a satisfactory manner; to provide for establishing, maintaining and constructing public sidewalks, roads, streets and highways, including the grading, changing of grade, paving, repaving, graveling, regravelling, widening or narrowing sidewalks and roads, resurfacing or relaying existing pavement or otherwise improving any road, street or highway within the District; to contract for water for fire protection and for resale to the resident of the District; to contract for electricity for street lighting for the public streets and highways within the District; and to acquire, improve and operate public parks, playgrounds and recreational facilities. Any sewer system established shall be approved by the Department of Health of the State of Nebraska. The District may construct its sewage disposal plant and other sewerage or water improvements, in whole or in part, inside or outside the boundaries of the District, and may contract with corporations or municipalities for disposal of sewage and use of existing sewerage improvements and for a supply of water for fire protection and for resale to residents of the District. It may also contract with any corporation or municipality for the installation, maintenance and cost of operating a system of street lighting upon the public streets and highways within the District, or for the installation, maintenance, and operation of gas or electric service lines and conduits and to provide water service for fire protection and use by the residents of the District.

NINTH: The powers of this District shall be all powers granted by Sections 31-727 to 31-762 of the Revised Statutes of

Nebraska, 1943, as amended, and all powers granted to corporations by the laws of the State of Nebraska, and all amendments thereto.

TENTH: The following named persons shall be Trustees to serve as a Board of Trustees until their successors are elected and qualify.
