A write-in candidate for the office of trustee who will serve as a designated representative of a limited partnership, a general partnership, a limited liability company, a public, private, or municipal corporation, an estate, or a trust which owns real estate in the district shall not be elected to the office of trustee unless (a) each vote is accompanied by the name of the entity which the candidate will represent and (b) within ten days after the date of the election the candidate provides the county clerk or election commissioner with appropriate documentation evidencing his or her representation of the entity. Votes cast which do not carry such accompanying designation shall not be counted." This matter was reviewed by the Knox County Attorney.***
