The Knox County Board of Supervisors reconvened at 10:57 a.m. with all members present.

County Attorney Knox Jensen and Hwy. Supt. Barta discussed with the Board the letter received at a previous meeting from Attorney Ryan Cwach regarding the entrance road into the Kohles Acres Subdivision. The Board reviewed a letter dated July 9, 2025 from Deputy County Attorney John Thomas concerning the 750 ft. stretch of 546 Avenue between Highway 54C and Kohles Acres where the County Attorney's Office has repeatedly suggested an interlocal agreement between SID #1 and Herrick Township would be appropriate to provide funds for this road. Suggested in the July 9, 2025 letter was that the Board consider proposing an interlocal agreement for the stretch of 546 Avenue that SID #1 pay 50% of the costs of the road and maintenance, that Herrick Township pay 50% of the costs of the road and maintenance, and that the County perform such costs and maintenance and bill this to the SID #1 and Herrick Township semi-annually. The Board discussed companies that could grind the entrance road and do maintenance. Motion by Supr. Mlady, seconded by Supr. O'Connor to decline the suggestion by Deputy County Attorney Thomas that the County provide the costs and maintenance of the Kohles Acres entrance road as an interlocal agreement should be made between the SID #1 and Herrick Township for the costs and maintenance of the 750 ft stretch of 546 Avenue between Highway 54C and Kohles Acres as the entrance road is not a County road and that they hire other construction companies to grind the entrance road and provide the costs and maintenance. By roll call vote. Ayes all Districts. Nays none. Motion carried.

Hwy. Supt. Barta met with the Board on the following: 1.) The County shop inventories were handed out to the respective Supervisors for their review and signatures; 2.) The Board reviewed two alternative plans from Mainelli Wagner & Associates for construction of the Ashfall road intersection. Alternative 1 was in the amount of \$306,196 and Alternative 2 was in the amount of \$267,400. Hwy. Supt. Barta believes the County can do the work at a lower rate. More discussion will be held at a later date; 3.) Discussed was the Lost Creek bridge listed on the Santee Sioux Nation/BIA Tribal Transportation Facility Bridge Program. Hwy. Supt. Barta will research the bidding process for construction; 4.) Bridge Crew update; 5.) Oil Crew update; 6.) The Board had considered at the last meeting the NDOT Highway 12 East and West agreement and resolution and Hwy. Supt. Barta was directed to contact the NDOT regarding the costs of signage of detour routes. The State will not pay for the detour signage so the County will be responsible. Motion by Supr. Mackeprang, seconded by Supr. Borgmann to adopt **Resolution #2025 - 23** approving the execution of an agreement between the Department of Transportation of the State of Nebraska for Project No. S-12-5(1011), Control No. 31674, Agreement No. XL2508, project name Niobrara East and West County Road Connections and the authorization of Chairman Sokol, Jr. to sign such agreement.
